WELCOME SPRING!

WHAT WE DID IN MARCH

The snow has melted, days are getting warmer, and we look forward to sunny days ahead. We had a blast learning about space, and we traveled to the moon and back. We hope everyone enjoyed the space book the children helped create.

WHAT WE WILL DO IN APRIL

This month, we will be going under the sea. We will learn about sea life through art, music and books. Our classroom will be transformed into an aquarium!

Earth Day is April 22nd, so we will focus on ways we can keep our earth clean and green. The “Handwriting without Tears” letters this month are **K**, **A**, and **V**. Ask your children about the letters we worked on last month: **P**, **B**, and **R**.

We will be holding end-of-the-year conferences on **Wednesday, May 1st** and **Thursday, May 2nd**. Be on the lookout for sign-up sheets in Early Birds and in the classroom.

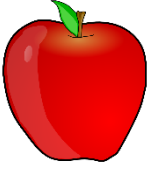

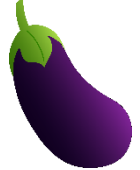

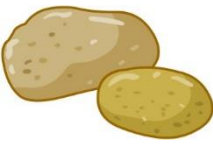

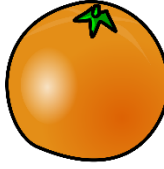

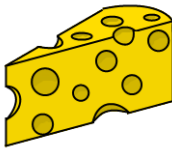

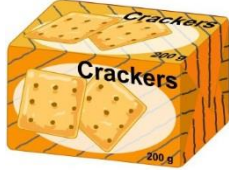

As the year is quickly coming to an end, we will be making sure that all the summer birthday children get to celebrate in school. Last month, Sadie had her special day. We will celebrate the following summer birthdays in April: **Vivian, Logan, Jordy** and **Adelyn**.

IMPORTANT DATES

- **Friday, April 19:** No School, Good Friday
- **Friday, April 26:** No School, District 39 conferences
