WHAT WE WILL DO IN APRIL

We will be adventuring with some favorite fairytale characters this month. Our science exploration of materials will help us build houses for the Three Little Pigs and bridges for the Three Billy Goats Gruff. We will use our map skills to help Little Red Riding Hood escape the Big Bad Wolf, and meet the characters the Gruffalo and the Little Brown Mouse. We will be retelling stories in a variety of ways using puppets, role play, campfire storytelling, storyboarding, and picture clues.

Also this month, we will be combining spring themes and delving into some of Eric Carle's wonderful stories, beginning with *The Very Hungry Caterpillar*. We will be studying the life cycle of a butterfly through stories, books, art projects, and real-life observations as we grow our own real butterflies! We will continue with Eric Carle's *The Tiny Seed*, and will sing spring weather rhymes such as *Itsy Bitsy Spider*; *Rain, Rain, Go Away*; *I Hear Thunder*; and *Sing a Rainbow*. We will also produce colorful projects of butterflies, rain drops, and flowers.

April celebrates "The Week of the Young Child." We will be handing out a sheet on this at the start of the month, so you can be kept abreast of the fun topics of each day.

We will hold Parent-Teacher Conferences in early May. More details will follow.

Please remember to sign both in and out. The clipboard is just inside the classroom.
