### **WHAT WE DID IN MARCH**

We had lots of fun in March! We discussed different authors and read many books which coincided with our visit from the librarian. We also continued our music classes and our letter/writing practice. Although it feels far away, we also began to talk about spring and the changing season. Finally, we celebrated St. Patrick's Day with a visit from a leprechaun and a hunt for gold! Enjoy your spring break, and we will see you all in April!

### **WHAT WE WILL BE DOING IN APRIL**

April will be another busy month! Hopefully, spring will finally arrive and we will be able to discuss the changing seasons more thoroughly. We will also discuss the five senses and various types of weather. We will put these lessons to action and experiment by growing a seedling in our classroom.

We will also do a unit on the mail, mail delivery, and transportation. The children will write a letter home, and we will mail it together as a class. Watch your mailboxes for when it arrives!

Finally, we will have our spring parent-teacher conferences in April. They will be held on Wednesday, April 17th from 5:30pm to 7pm and Thursday, April 18th from 5pm to 8pm in room 117. We will email you separately with a sign-up sheet and will have a sheet in our classroom. If none of the available time slots work for you, we are happy to accommodate you with a different time. The most important thing is to be able to sit down with you and discuss your child's progress throughout the year.

Finally, to celebrate the Week of the Young Child, there will be a school-wide charity drive for Cradles for Crayons. Cradles for Crayons is an organization that seeks to help low-income families by supplying basic necessities like clothes, books, and shelter. They are a local organization that assists families with children age 12 and younger. We will have a box in our classroom where you can bring in various donations. Look out for more info on what you can bring!

### **REMINDERS**

We encourage independent behavior from the children, whether it is putting on their jackets or getting themselves water at snack. It is helpful if you also encourage this behavior at home.

### **IMPORTANT DATES**

- ❖ April 5 - Owen's Birthday!
- ❖ April 17 & 18 - Conferences
- ❖ April 19 - No School
- ❖ April 26 - No School
- ❖ April 29 - Isla's Birthday!
