HAPPY NEW YEAR!

We hope to find you and your family having a wonderful, healthy, and exciting winter break!

WHAT WE DID IN DECEMBER

WOW! This month went by so quickly with all the projects and foods we were trying. These included making potato latkes and decorating sugar cookies and gingerbread people, among others. We even made our own snow! The books we have been reading focused on holidays, traditions, winter, and holiday-themed items. We enjoyed sharing many experiences with the students during this time.

WHAT WE WILL DO IN JANUARY

We will continue our winter-themed projects, words, writing, and will work on the new calendar month and year! We look forward to having a hot cocoa day in class and having the kids use adjectives to describe this experience. We are also planning on having a pajama day with more details to come!
