OFF TO A GREAT START!

Our class seems to have settled in to our classroom very nicely. Kuddos to all of our returning friends for being wonderful models and “teachers” for our new friends! It has been a pleasure watching this take place within the classroom with our mix of 3’s and 4’s.

WHAT WE DID IN SEPTEMBER

We took the opportunity during the first week of school to look at the differences and similarities we all have to help the children get to know their new classmates. We also had conversations with the whole class about our returning friends lending helping hands to our new friends. This led into our week of Friendship! The class worked in pairs to make Buddy Paintings on the easels, created a mural where each classmate “put their mark” on every sheet of paper, and made a friendship fruit salad. We ended the week talking about the “recipe for a friend”, and made yummy Friendship cereal treats.

During the 3rd week of September, we began our unit on Nursery Rhymes and Fairy Tales. We even staged a Nursery Rhyme Olympics!

WHAT WE WILL BE DOING IN OCTOBER

We will be wrapping up our Fairy Tale unit during the first week of October. The children have had so much fun putting on Puppet shows with our Spoon Puppet Collection, and reenacting some of their favorite fairy tales on our makeshift stage in the classroom. We will then spend a few weeks on the Fall Apple and Pumpkin Harvest before ending the month with Halloween!

We will have a Halloween Party in our class on Thursday, October 31st. Please have your child bring in a Halloween treat/trinket to share with 15 friends. We will be playing fun Halloween Games and making a spooky afternoon snack. Costumes are encouraged, as we will go on a Costume Parade to the front Desk. Please no masks or weapons.
