## **Great Start!**

Preschool is off to an excellent start. In September we spent time getting to know each other. The children are beginning to adjust to the classroom rules and new friends, as well as learning to share, take turns and listen. These are very hard tasks when you are three. Please reinforce these items at home.

## **Theme**

Our October theme is "Fall Apples, Pumpkins, and Halloween." The sights and sounds of fall will be experienced firsthand by viewing the changing fall colors and walking through the leaves. We will have apple and pumpkin exploration by observing and feeling the inside of a pumpkin and apples, as well as the outside. We will continue to discuss shapes and explore some traditional nursery rhymes. Music class will also be starting in October!

## **Halloween**

Our Halloween Party will be on Thursday, October 31<sup>st</sup>. The children should come in their costumes. Please no masks...Make-up is fine. We will parade down the hallway as soon as everyone has arrived and we encourage you to stay and watch the parade. There will be opportunities for pictures. The main idea we are conveying is that we are just pretending, and our friends are really the people behind the costumes. Your child should bring 16 "treats" to share with the class on this day. Some ideas are candy, stickers or whatever you feel is appropriate (please ensure no nuts!).

## **Conferences**

We will have conferences in November. More information will follow.

## **THINGS TO REMEMBER:**

- Thursday, October 31<sup>st</sup>, is our Halloween Party.
- **First Music Day will be Tuesday, October 8th**
- Please practice name recognition at home, as we are working on this skill at school.
- Please bring a change of clothing for your child if you have not done so. Make sure they are weather appropriate, labeled with his/her name, and are in a plastic Ziploc bag.
- Please label **EVERYTHING**.
- Please dress your child in clothes that are easy for him/her to remove when he/she needs to use the bathroom. This will help us in avoiding accidents.
