**GUIDANCE & DISCIPLINE POLICY**

In our programs, discipline is viewed as teaching the child. This consists of both setting consistent limits and enforcing the limits, if necessary. The child is to be given guidance through such positive reinforcement as praise and special recognition.

As a staff, we are to work towards strengthening each child's self-confidence and self-esteem, making them feel good about themselves and taking responsibility for their own behavior. Positive relationships are to be encouraged, as well as development of trust.

When a conflict arises, children are to be given the chance to talk about what happened and how they feel. This will help them to use words, rather than physical action.

If a situation occurs in which a child needs to take some time out from an activity to calm down, it will be no longer than one minute per year of age. This is not to be viewed as punishment, but as an opportunity to practice self-control.

As a staff we feel these methods are both effective and most respectful to the children. Given respect, children feel an important part of the group and have a sense of self-reliance.

**WHEN WORKING WITH CHILDREN, STAFF WILL IMPLEMENT THIS POLICY IN THE FOLLOWING WAYS:**

1. Find out the cause of the behavior.
2. Set a standard of behavior and maintain it. Act with consistency.
3. Allow the children to help make and enforce the rules.
4. Think before they act. Be fair and just, not judgmental.
5. Follow through with discipline and treat all children fairly.
6. Make limits clear and understandable to the child.
7. Inform the supervisor and parents/guardians of any behavior concerns they are having, as the supervisor and/or parents/guardians may be able to provide some insight.
8. Document any behaviors that are consistent and of concern.

**PARENTS/GUARDIANS NEED TO HELP IMPLEMENT THE POLICY IN THE FOLLOWING WAYS:**

This policy statement is listed in our *Preschool Handbook*. Parents/Guardians will be informed of any behavior concerns we are having. You are a wealth of knowledge on your child and can help by sharing what works for you and your concerns. It is important you know we are a team and want to work together in the best interest of your child.

**THE CHILD'S ROLE IN IMPLEMENTING THE POLICY:**

The children help to determine classroom rules, which are presented to them with clarity and followed with consistency. When talking with a child about his/her behavior, staff will ask him/her what he/she feels the right thing is to do and what rule to follow, so they know the child understands the situation and behavior.

**STEPS TAKEN BETWEEN PARENTS/GUARDIANS AND STAFF TO PHASE OUT A CHILD'S DISRUPTIVE BEHAVIORS:**

1. Parents/Guardians will be informed of any behavior concerns staff is having.
2. Parents/Guardians will be asked to share what works for them at home.
3. Parents/Guardians and staff will work together to figure out what might be causing the behavior.
4. ECC Supervisor and/or teachers will set up a conference with the parents/guardians to go over the above items and set-up a plan to phase out the child's specific behavior. A date for a follow-up conference will be set at this time to go over the child's progress and what steps come next. The time frame will depend on the severity of the behavior.
5. During a second conference, ECC Supervisor and/or teachers and parents/guardians will review if progress has been made. If necessary, staff and parents/guardians will revise the plan and set a date for a third conference to include the ECC Supervisor.
6. If at the time of the third conference staff has seen no improvement in a child's behavior and acting in the best interest of the child and classroom, he/she will be withdrawn from the program. A withdrawal date will be set at that time and appropriate referrals will be made.

As stated in our Terms & Conditions, if it is determined in a conference with the teacher and/or ECC Supervisor that it is in the best interest of the child to terminate his/her enrollment, every effort will be made to meet the needs of the family. This includes agreeing to an acceptable withdrawal date, referrals to other agencies, and counseling by the Wilmette Park District staff. After the child is withdrawn, the Terms & Conditions agreement is canceled.
